**2005 DESIGNATION PROGRAM**

***FUNDAMENTALS OF PROJECT DELIVERY***

**Course One: April 7, 2005**

**COURSE DESCRIPTION**

This one-day course is the **first of three core courses** for the 2005 Designation Program. These courses are required of all candidates for the *Designated Design-Build Professional TM - DBIA Professional Designation Program*.

Course One – previously titled “Fundamentals of Design-Build Project Delivery” – provides a general overview of the attributes of all the major project delivery systems, procurement methodologies, and contracting approaches. It sets the stage for DBIA’s other two core courses.
