EYH: Expanding Your Horizons

Friday, June 17, 2005 at Union Station’s Science City

EYH is an evening conference that allows 6th - 8th grade girls the opportunity to interact with female role models in science and math related fields. The girls spend most of their time attending hands-on workshops that are designed and led by local female engineers, physicians and scientists. For more information contact Betty Paulsell at (816) 460-2262 or mailto:bpaulsell@spioneers.org

Seeking Facilitators for Inventure U

July 10th-16th
Central Missouri State University in Warrensburg, Missouri

Inventure U is a design and engineering initiative for girls ages 12-15. During the week of camp, girls are actively engaged in the invention process while they become ‘engineer inventors’ for a week.
